Read Government Resolution, Rehabilitation Department, No.R.33-A, dated the 18th July 1951

RESOLUTION: The question of reconstitution of the Advisory Committees for the allotment of evacuee properties, which have been set up in various Districts for scrutiny of applications for the allotment of evacuee properties, has been under the consideration of Government for some time past. Government is now pleased to issue the following orders in this connection:-

i) Loan Advisory Committees, as reconstituted in accordance with Government Resolution, Rehabilitation Department No. R.33-A, dated the 18th July 1951, should also function as Advisory Committees for the allotment of evacuee properties. The existing Advisory Committees for the allotment of evacuee properties would cease to function in the District where there are Loan Advisory Committees.

ii) In the Districts, where there are no Loan Advisory Committees, the present Advisory Committees for the allotment of evacuee properties should be reconstituted so as normally to have two Hindus only for members viz. the Collector (or his representative), two displaced persons' representatives and one leader with local knowledge. The Prant officer of the section where the displaced persons applying for the allotment of evacuee properties, reside, may be coopted for the purpose of particular meeting. The displaced persons' representatives may be selected by the displaced persons themselves, subject to the Collector's approval. As far as possible, only persons of established standing and good status should be appointed as members of the Advisory Committees for the allotment of evacuee properties. Persons who are likely to seek allotment of evacuee property either for themselves or for their relatives or friends should not be appointed.

iii) The reconstitution of the Advisory Committees for the allotment of evacuee properties in the Districts, where there are no Loan Advisory Committees, should take place from the 1st September 1951. The existing Advisory committees for the allotment of evacuee properties, in the Districts, where there are Loan Advisory Committees, will cease to function from the 1st September 1951.

iv) All the Advisory committees for the allotment of evacuee properties should have a tenure of one year.

v) These orders, however, will not affect the Advisory Committee for the allotment of evacuee properties for the Bombay and B'bay Suburban district.
